Medicines

Call for Abstracts

Abstract Submission Deadline: January 18th, 2026

We are pleased to invite you to submit an abstract for an oral presentation at the USP/AMM Workshop ***End-to-End Analytical Solutions for mRNA Therapeutics: Supporting Manufacturing and CMC Needs***, which will be held in-person at USP headquarters in Rockville, MD, on **April 14 & 15th, 2026**.

The Steering Committee is accepting abstracts for presentations on the following topics:

- Raw material qualification
- New and improved analytical methods for CQA assessment
- Leveraging manufacturing and analytical platforms to support mRNA therapeutics.
- Correlation between physical and functional characteristics of mRNA products

- Use of mRNA in different modalities, including cell and gene therapies, cancer vaccines, and other new applications

Contributed speaker abstract submission timeline:

- **Submission deadline:** January 18, 2026.
- **Notification of acceptance/denial:** Email notification will be sent 2nd half of February 2026.

Submission instructions:

Please send your abstract submission to:

USPBioEvents@usp.org

Your abstract must include your full contact information: presenter's name, title, organization, and email address.

If there are multiple authors on the abstract, please highlight the presenter's name.

Assistance
